

Proposal for Spring Congress

Proposal
105

LYMEC Spring Congress, April 05.-07., 2019 in Brussels

Author: Venstres Ungdom, Co-sign: Radikal Ungdom, JOVD

Status: accepted rejected transferred to _____

The Spring Congress may decide:

1 **Sunset clause on legislation**

2 Considering that:

3 ? The European legislation grows with hundreds of new statutory instruments, laws and
4 directions every year, upon lots of already existing legislation.

5 ? In this moment there are no stimulus for the parliamentarians to review the existing legislation.

6 ? Sunset clause already exist on part of the EU legislation, namely in branch of medicine.

7

8 Believing that:

9 ? Old legislation are often outdated and no longer relevant for the member states

10 ? That tons of old and irrelevant legislation makes the European Parliament more complex and
11 harder to explain for citizens.

12 ? Relevant and up to date politics and legislation gives the politicians better opportunities to
13 change the existing politics, which secures a national anchoring in the European system.

14 ? To ensure growing support for the EU, it's legislation has to be updated and reflex the time we
15 live in.

16 ? True democracy is transparent for its citizens.

17

18 Calls for:

19 ? an expiration date on 15 years for EU legislation, with the possibility to mandatory review
20 legislation.

21 ? MO's of LYMEC and it's candidates for coming elections to campaign for a sunset clause
22 both national and international.
